DOUBLE BECCA!

Dear *Mayfair*,

Ever since we met 18 years ago, and throughout our entire relationship, my wife Becca and I have had an 'open' policy in the bedroom. It was initially her suggestion and, while I do enjoy it, she's always made it very clear that she loves to be fucked by more than one man at a time. She's dominant and gets her own way most of the time, but I'm happy with the way our life is. You might think that it's all one-sided – especially as our rule is no other women – but there's nothing I get off on more than seeing her being drilled by other men.

A few weekends ago, for example, she was having a night out while I sorted the house out, so everything would be in order in case we decided to have any company over the weekend. She usually gives me a call to get her if she can't get a cab so when the phone rang at 11:20, I wasn't surprised at her request for me to pick her up from town. She casually mentioned that she had a couple of friends with her and I knew what that meant!

On the short drive to get her, my cock throbbed with anticipation. I knew that in a little while, I'd be watching my wife get boned by strangers! I cannot describe the thrill it gives me. Especially as I know that when she's had her fun and kicked them out, she'll be all over me like a rash, wanting to relive every moment from my

direction – and before I had even pulled away they were pawing and groping her. A lot of guys would be pissed off at this, but it's all part of the fun and my dick was straining against my trousers as I watched them in the rear-view mirror.

Back at the house the two men finally acknowledged me as they went into the house and Becca told me to make myself useful and bring some beers. I admit feeling a mixture of humiliation and exhilaration as I went to the kitchen to get the drinks and some snacks. I knew that she was about to get fucked senseless by these two gorillas and I couldn't wait to watch. They were bound to have massive pricks and Becca would go crazy! I always get off on watching my wife getting fucked by bigger, thicker meat than my own – I don't know what it is, but watching her moaning and groaning as she struggles to contend with the size truly is a sight to behold.

point of view. Honestly, it's one of the sexiest things ever!

When I pulled up outside the pub, Becca was standing with two big muscular guys, sharing a cigarette with one of them. She waved me down, as if I couldn't spot her from a mile off in her tight black mini skirt and heels. Then, treating me like I was a taxi driver, all three of them piled into the back together, without so much as a glance in my

FOR BETTER... OR NURSE

Dear *Mayfair*,

I think I may have stumbled across, thanks to your photoshoot in 53.03 of 24 year old debutante Cara, my ideal future wife and the mother of my children!

To begin with she must be an intelligent young lady to be selected to embark on a course of nursing tuition, but on top of that her mane of blonde hair, angelic face with kind eyes, perfect teeth, wonderfully kissable mouth and spectacular lingerie in the opening shot served to hint at the many delights ahead.

Her small but clearly sensitive breasts and nipples are there to be gently caressed, kissed, licked and nibbled, and I was also struck by her sturdy shoulders and strong back. I was delighted to see she's decided to shave her glorious mound of venus and remove all traces of pubic hair in the region! All in all, then, I don't think I could choose better for a future life partner – but now the difficult part of the plan begins!

Kevin, Lincs.

Well I heartily commend you on your choice, Kevin – but yes, you might have your work cut out putting this admirable plan into effect! – The Ed.

KIKI GEE!

Dear *Mayfair*,

It's not often I feel the urge to put pen to paper (OK, email), but I just wanted to send you a few lines in praise of the beautiful Kiki who featured in your latest issue (53.04). While the first picture of her in the spread (not to mention the cover shot) showed all too clearly that her peachy bum is right out of the top draw, what really captivated me was her piercing pale blue eyes. Absolutely stunning – just one look from her with those eyes and her feline beauty would make any grown man go weak at the knees, so you can imagine what effect the sight of her stripping out of her lingerie set had on me! But can you explain the "We're all mad here" tattoo for me – I mean I know I'm mad about Kiki, but what's she mad about, I wonder...?

Grant, Shrewsbury.

Well Grant, apparently it's a quote from the Cheshire Cat in *Alice In Wonderland*, which turns out to be Kiki's favourite book! – The Ed.

was only gone for a few minutes, but by the time I returned to the lounge, Becca was already getting stuck in. She doesn't waste any time, my wife! She was knelt on all fours on top of the coffee table, her tiny lace g-string pulled to one side, while Finn, the bigger of the two, rubbed his cock up and down the crack of her arse. Becca's pussy was gooey with her juices and she was begging him to shove his dick inside her snatch.

Matt, the other guy, was watching and wanking, encouraging Finn to give her a good seeing to as she was "gagging for it". Finally, Finn gripped her hips with his large hands and shoved his thick cock deep inside her waiting slot. Groaning loudly, she jerked back to meet his slamming prick, her huge boobs bouncing as he ploughed in and out of her clunge. Grinning, Matt took a beer from me and moved around in front of Becca, holding out his cock for her to suck. My horny wife began licking and sucking greedily away, all the time getting a dicking from his mate.

This was all too much for me and I couldn't help getting my throbbing cock out and having a tug. Finn and Matt sawed their

cocks in and out of her, pumping Becca hard. Her cheeks were bulging from the amount of meat that was being almost shoved down her throat. With her mouth and pussy both full nearly to bursting, she was thoroughly enjoying being fucked from both ends.

Just when I thought it couldn't get any hornier, Finn knelt behind Becca and, dribbling spit, he lubricated her arsehole with his tongue, lapping at her beautiful ring. I thought I would shoot my load there and then as I realised he was about to cram his overly large appendage inside my wife's tightest hole.

My hand pumped frantically as I watched him align his big cock with Becca's puckered ring before pushing his fat shaft inside her arsehole. Matt sounded like his climax was close and he was urging her to suck him harder. My knees went weak as I watched the two of them fuck my wife simultaneously and began to feel my balls tighten. By now Finn had thrust his full length inside her bum, hammering it in until his balls were slapping loudly against her wet pussy.

Matt held onto the back of Becca's head and her mouth bulged as he started to come, jerking his spunk down her throat. She struggled to swallow as Finn started shagging her arse like a madman, grunting and swearing as he erupted inside her, pulling out so he could spray a load of his creamy jizz over her smooth bumcheeks.

I came very soon afterwards, and it was only a few minutes later that Becca, true to form, asked both guys to leave. She's not one for after-sex cuddles when it comes to strangers, thank goodness! As soon as her man-toys had disappeared, Becca took me by the hand, led me to our bedroom and I spent the next couple of hours getting stuck into her well-used orifices!

GARDEN OF EARTHLY DELIGHTS

Dear *Mayfair*,

My next door neighbours have a couple of young boys who are always kicking their football over my fence and I'm quite happy to throw it back. However, what I'd forgotten until recently is that the mother of the boys has been married before and has an older daughter, although she now lives away.

I came home one hot afternoon last summer and saw the football lying on the lawn. I picked it up and strolled to the fence and looked into the neighbour's garden. My eyes almost popped out of my head at the sight awaiting me. Lying back on a sun lounger reading a book was a gorgeous, tanned blonde in a black bikini. Her body was heavily oiled and the sun was glinting off the jewel nestling in her belly button. She had big, heavy breasts and long, smooth legs.

I cleared my throat, held the ball up and mumbled something about could she return it to the boys. She looked up, flashed me a beautiful smile and suggested I bring the ball round. I didn't need a second invitation and began walking round to hers, although walking was a bit difficult because by this time my cock was so stiff and all sorts of filthy thoughts were racing through my mind.

I sat on a chair opposite her and she introduced herself as Melanie. It transpired that the family had gone away on holiday and her mum had asked her to look after the house for a week. As we talked I noticed that she glanced down at my erection a few times and I could see her nipples beginning to stiffen in her bikini top. After a few more minutes she said I looked a bit hot and bothered and would I like to come into the house to cool down. It wasn't until she stood up to go into the house that I saw the dirty mare was wearing a thong bikini. I swear my cock grew another inch at the sight.

She slipped her feet into a pair of sandals and began to totter toward the house. I followed her with my eyes fixed on her

Prompted by a letter we got last year, we asked Emma Green if she'd ever paid a visit to the village that's so nearly her namesake, Emmer Green, but it seems she's never taken the time out on one of her M4 journeys home to Wales to pop in, which seems a bit rude to us! Perhaps she could lead a busload of her fans around the place, much like the legendary Frank Sidebottom did a few years ago round the streets of Timperley...?

"Hmm, much as I love my fans, I'm not sure there's much we could do to while away an afternoon in Emmer Green!"

gorgeous, firm arse and my cock twitched every time it wiggled.

Once inside, she said it was cooler upstairs and led me by the hand to one of the bedrooms. She had such a fantastic, fit, slim body that I almost felt sick with excitement. When we got into the bedroom we grabbed each other in lust. I put my hands on her rounded arse and could feel the hot skin as we kissed frantically. I ran my hands all over her thong as she pressed her wonderful tits into my chest. Her nipples were already hard and pressing through the thin fabric of her bikini top.

I undid the ties and let it fall to the floor. She pulled away from our kiss for a second and said mischievously "I think they're pleased to see you"! I didn't reply but just dipped my head toward them and began licking and sucking on her large, brown nipples. I gently teased her tits and Melanie began to pant and moan whilst running her soft hands through my hair. I hadn't had my hands on a fit babe like this for a long time and I thought I was going to cum before she even touched my cock!

By this time she was rubbing my stiff prick through my shorts. She gently eased my head away from her tits, pulled off my

T-shirt and pulled me towards the bed. She sat on the edge of it and pulled my shorts and boxers down and I kicked them away. My stiff prick was standing up proud before her and the swollen head was covered in pre-come. She cupped my balls in one hand and with the other began slowly wanking my cock. Then she looked up at me and said what a bad boy I was for seducing the next-door neighbour's daughter. She then moved her head towards my prick, pulled the foreskin back slightly and began licking my bell-end with her soft tongue. After a while she pulled her mouth away from my swollen cock and a sticky string of pre-come and saliva joined the tip of my cock to her luscious red lips. Once again she giggled and a few drops of my sticky pre-come broke free and splashed onto her lovely big tits. This was too much for me and I begged her to give me a full blow-job. Melanie instantly dipped her head forward and slowly took my cock into her warm mouth. My legs began to tremble as her head bobbed in a steady rhythm, her lovely mouth slipping and sliding up and down my erection as her free hand rubbed my balls.

This girl sure knew how to give head and it wasn't long before my cock started to pulse and twitch in her mouth. She whimpered as the first squirt of sticky cum

landed on her tongue. I could feel her tongue swirling round my shaft and bell-end as I pumped 6 or 7 thick spurts of semen into her mouth.

She pulled my prick from her mouth and looked me in the eyes again. Then she opened her mouth to show me a big mouthful of my creamy mess. She pushed her tongue through it a couple of times, then tilted her head back, closed her eyes and I could see her throat muscles bobbing up and down as she swallowed it the whole lot.

She whispered to me "now it's my turn" and I was still in a daze as she lay back on the bed. Melanie raised her legs and pulled her tiny black thong down her smooth, tanned thighs and over her ankles. Casually dropping it on the floor, she spread her legs wide and I got my first sight of her neatly trimmed pussy. She pulled her lips apart slightly and I could see the pink stickiness glistening in the light. I got down between her thighs and began running my tongue up and down her glorious, wet pussy. I used the flat of my tongue to start with and licked her pussy with long, slow strokes. I soon changed my rhythm and began flicking my tongue quickly backwards and forwards across her swollen clit. This did the trick for her and she began to pant and squeal in delight.

After a few more minutes of frantic licking she moaned she was coming and dug her heels into my shoulders as her pussy rippled against my tongue. Her whole body shuddered and she gasped and then let out a low scream of pleasure.

SHEER HOLLY!

Dear Mayfair,

I'm sure you've received plenty of letters about this girl already, but can I just say that Holly Gibbons seems to look better and better each time you feature her! She seems to be a lot more relaxed and confident now, and her body's blossomed into one with the absolute perfect proportions! Rarely have I seen such flawless beauty as appears in the centrespread of her in 53/05 – her wonderfully symmetrical natural boobs are probably the highlight for me, but with her beautiful face and neat, hairless pussy all adding to the effect of a woman that simply can't be improved! Please let's see more of this lovely model while she's in the absolute peak of condition!

Martin, Bromley.

My cock was stiff again by now and I just had to fuck her tight, wet pussy. Melanie got onto all fours on the bed and I placed my hands on her hips and pushed my cock smoothly into her juicy gash. I pumped her slowly at first, my big heavy balls lazily slapping against her arse. Melanie wiggled her arse and turned round with a wanton look on her face and urged me to fuck her harder and I began to build up a quicker pace.

This whole situation was too much for me and all of a sudden I lost control and began pumping her tight pussy with spurts of thick, sticky spunk. She also started to orgasm and I could feel her pussy tightening around my cock as she panted and moaned. We were both utterly spent and collapsed on the bed, Melanie's gorgeous giggle ringing in my ears.

We spent the whole fucking each other senseless and I can't wait till she comes to look after her mum's house again!

Pete, Loughborough.

A full-page photograph of a woman with long, wavy brown hair, wearing large white-rimmed sunglasses, an orange lace bikini top, and a matching orange thong. She is sitting on a dark wicker lounge chair with white cushions, wearing light pink high-heeled sandals. She is holding the strings of her thong with both hands. A large pink flower is visible behind her on the right. The background is a bright, out-of-focus outdoor setting.

We were all rather taken with Christi when she made her *Mayfair* debut last year, so it was only a matter of time before we asked her back... and as you can see, that time has elapsed! So what's she been doing with herself since our paths last crossed?

"Oh, I've been keeping pretty busy, I guess – modelling for a few other mags (*We don't want to know about that!* – Ed.) as well as hanging out with a few of my sexy friends! I've recently developed a passion for threesomes, and have just managed to complete the set – me and 2 guys, me and 2 girls and me and one of each!"

That's great news – for at least a couple of guys and girls out there.

TAKE IT TO ...THE MACS!

A road-legal track car than can get to 60mph in under three seconds? Go on then, we'll have a shuffy!

The McLaren Senna has been designed, engineered and developed with single-minded purpose: to be the ultimate McLaren track-concentrated car for the road. Legalised for road use, but not sanitised to suit it, the new Ultimate Series deliberately compromises McLaren's trademark breadth of supercar daily usability; instead it provides the purest

his exceptional powers of concentration and single-minded focus on being the best on the track. The McLaren Senna driver is hardwired into the dynamic experience the car delivers. Their connection to the car comes through the steering wheel, the pedals and the seat. Every sensation that comes from driving at speed is precisely communicated, putting the driver in total control.

line with a relentless focus on the weight of every individual component that has resulted in the McLaren Senna being the lightest road-legal McLaren since the iconic F1 road car, at just 1,198kg.

**DRIVER CONTROLS

DELIBERATELY KEPT
TO A MINIMUM TO
REDUCE 'COCKPIT
CLUTTER'.**

Visually, the McLaren Senna shocks. The first impression is of an aggressive, unforgiving machine, organic shapes having given way to a design language that is purposely fragmented in pursuit of absolute performance. With downforce and aerodynamic balance the

guiding principles, this car is the purest expression yet of the 'form follows function' design philosophy embraced by McLaren. Viewed from above, the body is nature's most efficient shape – a teardrop – with body components 'clipped' onto the cabin to deliver optimal aerodynamic performance.

The McLaren Senna introduces a new generation of ground-breaking front and rear active aerodynamics, raising downforce and aero control to an unprecedented level to ensure the performance potential can be fully exploited. Every

element of the body design, from the front splitter to the

double diffuser at the rear, has been developed to optimise downforce and aerodynamic balance, whether under braking, adjusting the throttle mid corner, or applying power on corner exit.

The double diffuser at the rear of the car is unmistakable. Created as a single piece of carbon fibre, it begins under the rear axle and as it increases in height accelerates air out from under the vehicle. This creates a low-pressure zone that sucks the McLaren Senna even tighter to the ground. Equally unmissable is a huge, double-element carbon fibre rear wing that at its highest point sits 1,219mm from the road when the car is stationary. Hydraulically actuated, the wing constantly adjusts to

connection between driver and car, to deliver the most intense circuit experience of any road McLaren.

Unsurprisingly, there are strong echoes in the new McLaren Senna of the incredibly focused philosophy behind the McLaren P1; where the latter was designed to be the best driver's car on road and track, the ambition for the McLaren Senna is for it to be the best road-legal track car, setting a new benchmark for circuit excellence with track prowess absolutely taking precedence.

Given the famous name that this new McLaren bears, its unrivalled extreme performance and dynamic excellence should be no surprise. The legendary Formula 1 racing driver was renowned for

optimise the levels of downforce and aerodynamic balance and functions as an airbrake under heavy braking.

The depths of connection with the new Ultimate Series car will be experienced in full once in the driver's seat and on a circuit, but the intimate relationship with the McLaren Senna begins before that, simply by entering the car. The cockpit environment reflects the stripped-back, functional nature that is evident in every aspect of the McLaren Senna. Visual carbon fibre is used extensively. Dependent on customer preference, Alcantara or leather covers the seats, facia and side airbags, but the absence of any other interior trim both saves weight and reveals the construction of the doors. Driver controls have been deliberately kept to a minimum to reduce 'cockpit clutter' and the three-spoke steering wheel is free of buttons and switches, creating a pure focus on sensory feedback. All the information the driver needs comes from the high-definition McLaren Folding Driver Display and central infotainment screen.

Codenamed M840TR, the 4.0-litre twin-turbocharged V8 engine at the heart of the McLaren Senna is the most powerful road car internal combustion engine ever created by McLaren, producing 789bhp. The engine's dry sump lubrication and flat-plane crankshaft are technologies with their roots in motorsport. Lightweight internal components reduce mass in the powertrain and combine with ultra-low inertia, twin-scroll turbochargers and electronically controlled wastegates to deliver lightning-quick throttle responsiveness.

From the outset of the programme, McLaren engineers determined that the full mechanical symphony of the engine – from intake to combustion to exhaust – had to be central to the sensory experience. Those fortunate enough to drive the McLaren Senna will feel the cockpit come alive with the sound of air rushing into the roof-mounted 'snorkel' intake and mixing in the carbon fibre plenum, producing precisely tailored high-frequency sounds that deliver a vivid experience. At the same time, low-frequency sounds from the engine are transferred into the cockpit through unique engine mounts, exciting the double-walled rear structure of the carbon fibre Monocage and amplifying every change in engine revs, making it seem almost as if the V8 is sitting alongside the driver.

A dual-clutch, seamless-shift, seven-speed gearbox delivers power to the rear wheels. A fully automatic mode is the default, with the driver able to choose full manual control of gear shifts via paddles mounted on a rocker behind the steering wheel. The elongated carbon fibre paddles are optimised to be used both with or without racing gloves, and create a deep sense of mechanical connection with the McLaren Senna.

The braking system of the McLaren Senna is the most advanced ever fitted to a McLaren road car, using carbon ceramic discs and motorsport technologies to deliver extreme

performance. Tyre choice is equally focused, with bespoke Pirelli P Zero Trofeo R tyres. Designed for race tracks but approved for road use, they enable a McLaren Senna to be driven to a circuit. Only one style of wheel is available: an ultra-lightweight alloy wheel with a race-inspired centre lock system.

All sounds pretty good, and the fact that the McLaren Senna will be hand-assembled in England at the McLaren Production Centre makes it even better. But here's the bad news! McLaren are limiting production to just 500 vehicles, each costing from £750,000... and they've already sold the lot!

So he decides to release some air out of mummy balloon, but still no room. He then releases some air from daddy balloon but there is still no room. So he then releases some air from himself, which allows enough room for him to snuggle in bed between his mummy and daddy.

In the morning daddy balloon isn't impressed. "What did I tell you? You had to sleep in your own bed, you've been very naughty. You've let your mum down, you've

Strewth – here we are in May 2018 and we've only just got round to asking the scrummy Adele Taylor in for her first shoot of the year. Talk about time flying when you're having fun – although of course we're always having more fun when Adele's here than when she isn't! If it feels like the last four months have gone by quickly, the couple of hours we got to spend ogling overseeing this shoot flew by in the blinking of an eye!

Scene from MAYFAIR

Is that a light sabre in your pocket, or are you just glad to be reading *Mayfair*, eh? Well put it away for a bit and let's see what mainstream releases this month has to offer, OK?

STAR WARS: THE LAST JEDI

You used to have to wait years for a new *Star Wars* release, didn't you? Whole generations would grow up between light sabre sightings, but not any more. Now that Disney have got their hands on the franchise they're milking it for all it's worth, and here's the latest outing. Then again, it's not just George Lucas and a few bits of sticky-back plastic any more – there must be various clone armies out there working on each one at the same time, and while this release (predictably) divided opinions, there's no doubting its heft. We join the action where 2015's *Force Awakens* leaves off, with young Daisy Ridley's Rey rocking up at Luke Skywalker's remote island to try and get him back into the fight. He's needed, too – the evil Snoke (Andy Serkis, apparently) and his henchman Kylo Ren (Adam Driver) have definitely got the upper hand. Plenty of stonking set pieces help redress the balance though, in Carrie Fisher's final Leia outing.

MARCELLA SERIES 2

There's no shortage of detective-based TV fodder out there these days – pick a city and/or a language of your choice and the chances are there's a cop show that fits the bill – so it pays to be selective in what you give your time to. ITV's *Marcella* definitely falls into the 'worth giving a go' category, not least thanks to Anna Friel's central performance as the eponymous detective. She's London based (blimey – that's not very exotic, is it?) and her personal woes intertwined with her professional duties (tracking down killers, obviously) make this a cut above the typical police procedural. This time round the story kicks off with the discovery of a child's body down a well, and the victim turns out to have been a friend of her son. Written by *The Bridge*'s Hans Rosenfeldt, this is scandi-noir without the scandi, but pretty much just as noir.

THE BAREFOOT CONTESSA

It's always nice when the Hollywood big-hitters get a proper dusting down for release on Blu-ray, and there aren't many bigger hitters than Humphrey Bogart, Ava Gardner and writer-director Joseph L. Mankiewicz! This one dates from 1954, when Bogart was starting to look even more crumpled and battered by life than ever (and that's saying something) but his weather-beaten look serves him well in this film, given that he's playing a past-his-prime director who's drafted into a self-obsessed businessman's plan to achieve lasting fame by producing a film. He finds his leading lady Maria (Gardner) in a Spanish flamenco bar and lures her back to Hollywood, and to begin with everything goes well, but... Maria's not quite cut out for her new life. A dazzling production that looks niftier than ever before, this release boasts plenty of bonus material.

NANCY

Age: 23 Vital Stats: 34B-23-33 5'4"
Photographer: DDF

Ah, 23 year old Nancy certainly looks at home in a set of stockings and suspenders, doesn't she? It's always such a pleasure to see the next generation getting into the timeless elegance of a nice lingerie set!

"Ha, I know what you mean! Sometimes changing fashions mean that some really beautiful looks just disappear forever," Nancy chimes in. "Sometimes I wish we could all go back to the fashions of 200 years ago – dressing up in amazing ball gowns and stuff would be amazing!"

You're probably right – as long as you promised to take it all off for us!

MAYFAIR Movies

There are only three things that can be said to be certain in this life - death, taxes, and another slew of skin flicks to keep tuggers happy. Here's our pick of the latter!

Wicked Pictures

THE SET UP

CAST: Lily Lane, Tasha Reign, Jenna Sativa, Olive Glass.

You know when you see a character in a bow tie in a porno flick that he's bound to be a bit of a dweeb, and so it is with Michael Vegas here, and he looks a bit bewildered as brazen Lily Lane picks him up and heads back to his place for a bunk-up. And sure enough, she's got an accomplice who burgles the poor sap while he's got a blindfold on! Still, it could be worse for Vegas, he gets to feast on Lily's furry snizz before a wonderfully arse-wobbling doggy-style shafting that most guys probably wouldn't mind getting burgled for. Anyway, in a seemingly unrelated storyline blonde Tasha's getting along very well with Seth Gamble - they're both making good money and have a very eye-pleasing bunk-up to celebrate the fact, her shaven spadger getting a drilling from just about every angle before he sends a cascade of jizz shooting over her

Editor's PICK

belly. Hmm, things aren't quite as they seem, though, and as the plot rolls along Lily celebrates her successful scamming with a high energy backdoor balling from her accomplice. Things are looking cushty for the pair, but crime rarely pays, and after some strap-on fun between Jenna and Sativa it's Michael Vegas and Tasha Reign who have the last laugh - and fuck - in this nicely produced offering.

Harmony Films

NYMPHOMANIAC HENESSY

CAST: Henessy, Stella Cox, Kira Queen, Elle Rose.

Randy Russian Henessy's been gracing one quality scud flick after another for nigh on ten years now, and her scenes are always among the better ones to look out for - so it's high time she got a flick dedicated to her, and this one does her proud. Shot in a rather swish Mediterranean villa, we open with our heroine lounging by the pool, but in fact she turns out to be a bystander as stud George swims off to hook up with Kira Queen instead. A solid dicking follows, with a final pop that fires wonderfully over Kira's face, but it's just a *whore d'oeuvre* for what follows, really. First off George is back, getting a spectacular oral pleasuring from Henessy and Elle, then Tony de Sergio gets Henessy to himself, and really makes the most of her welcoming arse in an anal scene that can't be faulted. There's no cock in the next scene, which sees Henessy share a double-ender with Stella, but the *piece de resistance* is the closer, in which the eponymous splosher takes a stonking DP from Tony and Juan Lucho. Available from your local sex shop.

WINTER MOMENTS

CAST: Rebecca Volpetti, Sasha Rose, Candy Alexa, Vicky Love, Zafira, Tyra Moon, Linda Moretti, Verona Sky.

I don't know about you, but I feel like I've had quite enough winter moments for one year - it's bloody April as I write this and it's still feckin' freezing out there! Then again, my winter moments have largely been confined to cranking up the heating/trying not to go out much, whereas the stars of this film seem to have racked up quite a different set of moments, and perhaps if mine had been in any way similar, I too would be reluctant to let the season go. There are snowy

landscapes a-plenty as the various girls stroll, ice-skate and lark about in their wintry wonderland, but it isn't long before each pair heads indoors where they can remove their

★★★★☆

woolly clothes and get stuck into each other's firm young bodies! With plenty of heaving breasts as one fanny after another is nibbled, fingered and licked out, fans of lesbo flicks will have no complaints here - each scene is a classy enough coupling and all the girls look like they're having a whale of a time. Lots of nice close-ups, too, which leave little to the imagination, and any film which features the charms of Zafira (aka Beth) is always alright in my book. For cockless action, you could do a lot worse! Available from your local sex shop.

TINA

Age: 32 Vital Stats: 34D-26-36 5'9"
Photographer: BBM

.....

Well we're not entirely sure why we've never got round to featuring Brum-based babe Tina Kay in Mayfair before, but when she got in touch recently to see if we fancied arranging a shoot and enclosed a few photos of herself in this outfit, we didn't have to think too long and hard before snapping her (up)! And as you can see for yourselves, things went off pretty well...

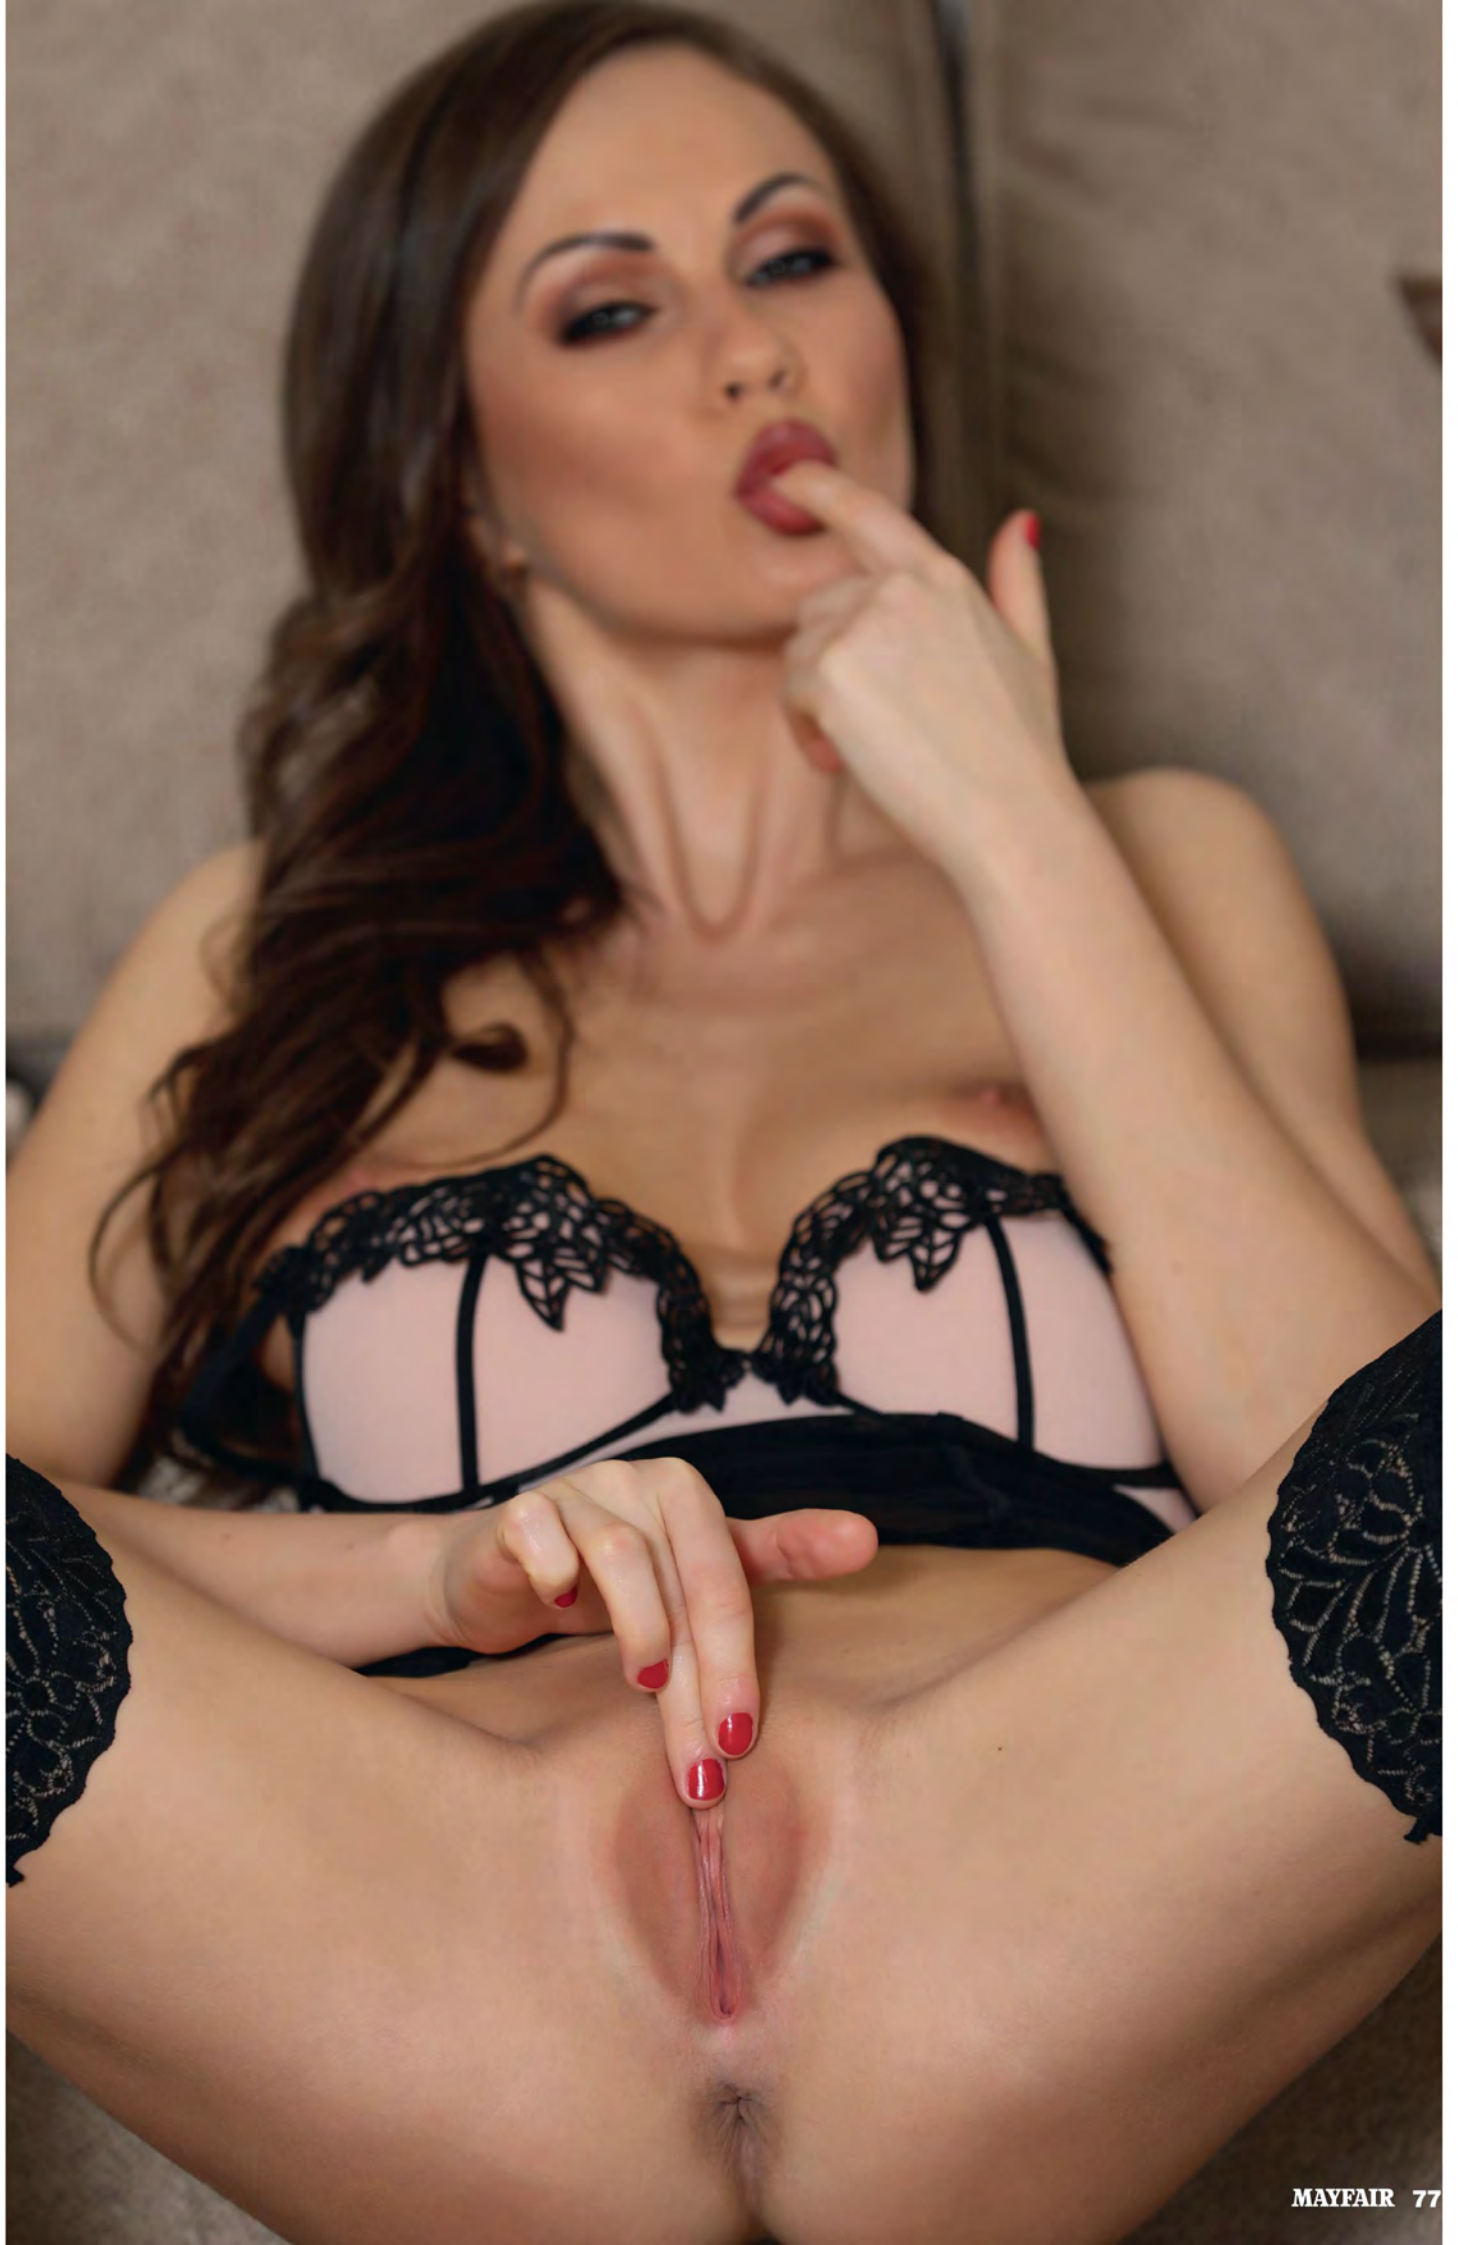

"I thought this outfit might tickle your fancy!" she grins. "I bought it especially for a discerning older man I know, and he loves it!"

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I'm a single woman in my late-30s. I work as a secretary at a large firm in a massive office block in town. At lunchtime most members of staff go to the canteen in the basement. The subsidised

and wanted some fresh air so I thought I'd take a stroll round the nearby park.

It wasn't a particularly warm day but at least it wasn't raining. After walking around the pond I sat on one of the park benches

food isn't that bad and there's also a small recreation area with a pool table. I usually go there too but I'd had a busy morning

and lit up a fag. After about five minutes a young guy in a tracksuit that I'd seen jogging around the pond earlier came and

sat next to me.

He immediately caught my eye because he was so good looking, in his early twenties and obviously very fit. When he saw me looking at him he smiled and initiated a conversation.

We were chatting away and the subject came round to partners. I

got a bit embarrassed because I've been divorced for a few years now and let it slip that I hadn't had sex for ages.

"Maybe I can help you there!" the young guy suggested.

I was astonished and in usual circumstances would have been offended, but he was so cute.

"What do you mean?"

"Well, you're a good looking woman, I'm a man - we both have needs."

This got me all flustered. I was half embarrassed and half excited by his outrageous suggestion. Throwing caution to the wind I said, "do you want to meet

HE HELD THE BACK OF
MY HEAD AND PULLED
ME CLOSER SO THAT
I TOOK HIM TO THE
BACK OF MY THROAT

later for a drink then?"

"Why wait until later?" He replied. "I want you now!"

With that he grasped his prick through his tracksuit trousers and nodded towards the clump of trees behind us. We stood up together and walked over there while I had a good look round to make sure no one was watching us.

Content we wouldn't be disturbed, the guy stopped and pulled down his tracksuit trousers to reveal a stonking hard on. His cock was large in both length and girth and my mouth watered at the thought of taking it inside me. But first I dropped to my knees and took it in my mouth.

I hadn't sucked a cock for at least four years but it's not something you forget how to do and judging by the guy's response he was enjoying it. He held the back of my head and pulled me closer so that I took him to the back of my throat. Then he started guiding my head back and forth, getting faster and faster, feeding his length in and out my mouth with great speed. Just as I thought he was about to come, he pulled out his prick and told me to pull my skirt up.

I did as he said, stood up and leaning back against a tree I hitched up my skirt to show off my legs. The guy ran his hand over the front of my red silk knickers and then pulled them down around my ankles. As I stepped out of them, he eagerly began

to finger me. My hole was wet and the squelching sounds became louder as he frigged me quicker.

I started to groan as my pussy revelled in the attention. Although I often pleased myself, you can't beat the male touch and I was already getting quite worked up by the time the man lifted me up on to his cock.

THE GUY RAN HIS HAND OVER THE FRONT OF MY RED SILK KNICKERS AND THEN PULLED THEM DOWN AROUND MY ANKLES.

His helmet pressed against the entrance to my pussy and as he lowered me down I felt every inch burrow deep inside me. I let out one huge gasp when I realised I had taken him to the hilt. I could really feel it inside me and although it was awkward for me

propped against a tree I began to ride him.

I wrapped my arms and legs tightly around him as he hammered away at my grateful snatch. We must have been fucking hard for about ten minutes until his body suddenly froze and I felt a warm sensation fill my pussy.

His spunk oozed out of me as I was lifted off his softening prick and lowered to the floor. We looked at each other with beaming smiles on our faces as we both got our breath back and then straightened our clothes up.

I stepped out of the trees, looking around to see if everyone was about and then thought about going back to work. It didn't take long for me to decide to phone in sick for the afternoon. After our second fuck I finally found out his name – Steve – and we've been having regular lunchtime sessions ever since. I don't know if it'll turn into a serious relationship, but something inside me hope it won't – I'm having way too much fun as it is!

“I WRAPPED MY ARMS AND LEGS AROUND HIM TIGHTLY AS HE HAMMERED AWAY.”

Since leaving university, I've had a number of jobs to earn a living, while striving to bag myself a good acting role. I've landed a few parts on the West End stage, but I'm still waiting for my big break. For the last six months, I've been working in a trendy Hoxton bookshop, which I actually love. There's always interesting people hanging out in the tiny coffee bar and the shop's owner, Maggie, is always putting on exhibitions and promotions.

Last month, we had an adults-only launch party of sorts to promote the release of an arty coffee-table book, which contained a selection of photographs of models in shiny black rubber and racy poses. As well as being a good laugh and something different, it also gave me a chance to earn some overtime, and when Maggie asked some of us staff to put on fetishy outfits just to add to the atmosphere, I was well up for it. I got to wear this PVC catsuit and high heels, and, as I waved my leather riding crop around, I admit I got a bit carried away with it all. I just felt like a total sex goddess!

Throughout the evening, I kept catching a really cute guy staring at me. I'd have usually thought he was out of my league and become extremely shy and embarrassed, but tonight I was filled with a huge amount of self-belief – I knew I looked fucking good!

I still surprised myself as I confidently strode up to him at the end of the night and exclaimed, “Hi, we haven't been introduced! I'm Nicole!” then went to kiss his cheek, pulling him in close enough for me to whisper to him, “Fancy coming back to mine for a fuck?” into his ear.

He grinned and replied, "I'd love to! It's Adam, by the way... In case you're interested!"

I laughed and told him I'd be straight back. Grabbing my bag from the staff room

than ready to rip our clothes off and get stuck in to each other.

As soon as my flat door closed behind us – and I mean the very moment it slammed – Adam had his cock out and was

motioning for me to suck it. I don't need to be asked twice, especially with such a perfect example of manhood displayed right in front of me, so I dropped to my knees and

wrapped my lips around his length. He gasped as I took him straight back into my throat. I've been complimented on my blow-jobs more than once, so I wasn't

as sexily as I could possibly do so. If you've ever worn latex, you'll know how hard it is to get out of, so looking anything other than an awkward Bambi is almost

"I SOON FOUND A RHYTHM AND SUCKED HIS WHOLE TOOL FROM TOP TO BOTTOM, IN AND OUT OF MY SOFT MOUTH."

I PUT HIM OUT OF HIS MISERY, STRIPPING OFF AND LETTING HIM POUND MY PUSSY AS HARD AND FAST AS HE LIKED.

and saying bye to my co-workers, I found Adam again and we left together, hailing a cab to go to my place.

The taxi ride was scorching! We were all

impossible!

Adam obviously knew that I wasn't a dominatrix, that I was just dressing the part

over each other, kissing, sucking tongues, groping, rubbing as much as we could get

"I STRADDLED HIS WASTE AND SLOWLY LOWERED MYSELF DOWN ONTO HIS COCK..."

away with in the back of a cab! By the time we reached my flat, we were both more

surprised as I started getting into it when he began whispering, "Oh my God, oh my God," over and over again.

I soon found a rhythm and sucked his whole tool from top to bottom, in and out of my soft mouth, occasionally adding my hand to the mix, wanking him to the same rhythm as my mouth, and sometimes my tongue. He gasped and moaned, grabbing my head to try to take control but whenever he did, I stopped. He quickly got the message that I wanted to be in control of the situation.

Eventually, we made our way to the bedroom and I peeled off the latex catsuit

for the promo although, a bit later into the night, I did chain him up to my bed with some fluffy handcuffs I'd nicked from one of the shop displays.

I'd never had a bloke totally helpless before, at my mercy. And, as Adam lay there, wrists shackled to my headboard, I realized how incredibly sexy both he and the situation was. I straddled his waist and slowly lowered myself down

onto his cock and pinched his nipples. It was such a turn on that I rode him with wild abandon, feeling the sexiest I ever remember feeling. I came hard and multiple times that night, Adam turning out to be an amazing fuck!

Afterwards he told me how hard he'd felt himself coming, able to let go totally because I was in control. So, the next morning, when he asked me for a date, saying he wondered would I be up for going to an actual fetish club, I said yes. So, the following week, after quite a lot of research, we attended our first proper fetish night. We were actually both quite nervous, but we soon got into it, watching a mistress spank a naked 'slave'. Then she spotted me with my leather riding crop, and invited me to have a go. Hiding how terrified I was, I just went for it, laying little strokes on his arse cheeks –

making him count them out and thank me for each one – and tickling his naked balls with the end of my whip. I honestly don't know what came over me! I did thoroughly enjoy the experience, however!

When I got back to Adam, he had a huge hard-on. But, when he begged me for a fuck, I really began to get into my new-found character and told him he'd have to wait. Instead I had him get naked and lie down on this long leather-topped bench in the play area so I could squat over his face, and gently swat at his cock and balls with my whip, as he licked me to orgasm. It was divine!

Back home, I put him out of his misery, stripping off and letting him pound my pussy as hard and fast as he liked, until he was coming buckets into it. We're still together and are still having fun going to kinky clubs. Although we're still new to it, most people on the scene are really

“I HAD HIM GET NAKED AND LIE DOWN ON A LEATHER-TOPPED BENCH SO I COULD SQUAT OVER HIS FACE.”

friendly, and it turns out that we're both natural exhibitionists in that kind of place. It still tickles me that one bit of overtime at work has completely changed my sexual tastes, opened up a whole new world to me – and bagged me a gorgeous boyfriend to boot, all because of a book launch I went to for a bit of overtime!

ELIZABETH

MAYFAIR Classic

Judging from her Brooke Shields-esque eyebrows you might think this set of Elizabeth hails from the mid-80s, but in fact it's only 25 years old, which means it first saw the light of day in 1993. Now that doesn't seem particularly long ago to me, but it was clearly a different epoch in the age of the jazz mag, as Elizabeth's hirsute eyebrow and muff arrangement make all too clear. Snapper Jack Harrison remained a *Mayfair* stalwart well into the 21st Century, and this set captures his style very nicely!

To those who look at 18-year-old Elizabeth Johnson and see a quiet, shy girl, her recent antics may come as a surprise. "I know exactly what you're talking about," said the privately educated brunette. "It was the day I left school. I had been so reserved for so long; doing what I was told, that I decided to show everyone what I'm really like! So I ripped off my blouse and unclipped my bra... Then I walked all the way home topless, flashing at all the boys I fancied."

That showed them all, eh! "Yes," she agreed. "But not half as much as I'm showing them now!" **M**

MAYFAIR

Vol.53 No.6

On Sale May 30th

May's a very special month in all sorts of ways. First off it's good for bank holidays that you don't feel obliged to spend stuffing your face with family members, but it's also the time when you can actually start to expect a bit of half-decent weather rather than just pray for it hopefully. But above all it's the month when you get not one but two issues of *Mayfair* hitting the shelves, thanks to our peculiar 13-issues-a-year routine! And to make it extra special this time round, we've lined up a couple of debutantes in the shape of Cassie and Amber Jade – so maypoles at the ready!
